

REYKJAVÍK

INTERNATIONAL GAMES

26. JANUARY - 5. FEBRUARY 2017

The city of Reykjavík will for the 10th time welcome sports participants to a multisport competition in Laugardalur, the Valley of Sport, taking place January 26 to February 5.

Athletes compete at a high level in various sports in world class facilities. The venue of the games will in most cases be the sport area of Laugardalur which will provide a magnificent setting for the games.

Events will include athletics, swimming, fencing, gymnastics, shooting, wrestling, taekwondo, dance, archery, table tennis, cycling, powerlifting, badminton, figure skating, karate, bowling, squash, weightlifting, judo, alpine skiing, ski- and boardercross. Some are a part of international circuits and/or give points to world ranking lists. Reykjavik Sports Union is the organizer, supported by the city of Reykjavik og the proud sponsors.

Lectures in collaboration with the NOC and Reykjavík University have become an important part of the schedule. World class speakers including some former athletes have in recent years taken part, f.ex. Colin Jackson, Dwain Chambers and Peter Gade. The lectures in 2017 will be one of the main events at the RIG 10 years anniversary.

Closing ceremonies among other things will keep the athletes happy and entertained and they will also have the opportunity to visit Reykjavík, the Capital of Iceland with all its sights and sounds. Hopefully you might also see the northern lights!

We anticipate that the Games will draw around 3000 participants including more than 500 foreigners from over 30 countries and many of them among the best. All further information about participating are to be found on the website: www.rig.is
